A Day at the Amber Teahouse by Fujieda Miyabi

About the Characters:

Sayuki is from the Kanto region of Japan, and Shuri is from the Kansai region*
They happened to meet one day at the Amber Teahouse, and fell in love
It's spring now, and they're moving in together
If you'd like to learn more about them, please listen to the drama CD
from the special edition of *Chatting at the Amber Teahouse* volume 2
if you're able to do so (it is out of print now)
In any case, the couple is beginning a new life together now.

*Note: The Kanto region is the region surrounding Tokyo and the Kansai region is the one surrounding Osaka and Kyoto
